

~23RD ANNUAL~
**Tree of
 Shining Love**
 DECEMBER 2011

The Marlette Regional Hospital (MRH) Foundation would like to thank area residents for their exceptional support for the 23rd Annual Tree of Shining Love campaign. We are grateful for the 200+ donors who have given over \$19,000 in support of this year's project. These gifts will significantly impact the comfort and care of MRH patients. Thank you for partnering with us in our mission to continuously improve the quality of health in the communities we serve.

The Huntoon Family of Marlette expressed their sincere thanks to MRH for the services it has provided to their family over the years.

Each year, the MRH Foundation Community Relations Committee coordinates the Tree of Shining Love event as a major fundraiser for an identified project at MRH.
